

# TTWIN Setup Steps

1. Double click on your **TTWIN** icon on your desktop
2. Double click on **Serial Comms** and a window should pop up
3. On the top left hand corner it should say **Select Another** , click on that and select **Telnet - WINSOCK** from the list

4. Type in *192.168.1.94* where it says **host**
5. Click on **connect** and it should bring you a login, log in to your store

6. Click on **File** on the top left hand corner, down arrow to **Save default.twc** and click on it, you have now saved your session
